All accepted papers will be published in co-authors International Thematic Monographs. Conference organizers will provide new approach to ensure higher quality of publication. This policy results in more scientific points and better position in scientific society. Types of research that can be submitted for consideration by the Editorial Board must be only original research within the field of GIS aspects.

The conference working language is English. Programme Committee reserves the right to select for presentation only the chosen papers. *N. B. Please follow enclosed guidelines for authors!*

**IMPORTANT DATES**

15th of December 2015 - The deadline for sending abstracts  
10th of March 2016 - The deadline for sending papers  
10th of March to 25th of March 2016 - Reviewing process  
1st of May 2016 - The final version of papers after reviews  

*N.B. Send all abstracts and papers to Dr Agnieszka Bieda! bieda@agh.edu.pl*

**INSTRUCTIONS TO AUTHORS**

**Preparation of manuscripts**

The official language of the GIS monographs is English. For the preparation of research in a co-Authors monograph (text layout, margins, spacing) please use the template of sample (paper.doc).

**TEXT:**

- justified;  
- font - Cambria;  
- font size - 10 points;  
- general line spacing - single;  
- chapter titles - bold, unnumbered, spacing before and after line 6 points  
- size sheets - A4;  
- margins - 2.5 cm on each side;  
- paragraphs - 1.25.

The text should include not less than 40 000 characters with spaces without abstracts.

**Manuscripts should, in general be organized in the following manner:**

- Title, Author(s) name(s) (with/indicate e-mail address),  
- Affiliation(s) - in italics,  
- Abstract,  
- Key words,  
- Introduction,  
- Material and methods,  
- Results and discussion  
- Conclusions,  
- References,  
- Notes of the authors

**References**

Text citations are given as SMITH (1974) or (SMITH, BLACK, 1974). If reference is made in the text written by more than two authors, the first author should be followed by et al. (SMITH et al., 1974). In the list of references all authors must be mentioned. Surnames of authors are written with a comma and initial: SMITH, D. The initials of any additional co-authors, excluding the first, precede the surname: SMITH, D., ROBERTS, A.; BLACK, R.  

The list of references should be arranged alphabetically by authors names and chronologically per author. If an author on the list is also mentioned with co-authors, the following order should be used: publications of a single author arranged chronologically, followed by publications of the same author with more than one co-author. Publications by the same author(s) in the same year should be listed as 1974a, b, c etc., both in the text citations and in the list of references.
References should be arranged in the following manner:

- **Periodicals:**

- **Books:**

- **Edited symposia:**

- **Quoting only one page:**

- **Theses:**

- **The papers which are not written in English, should be referred in original language with translated title in English (in brackets):**

- **The titles translated in English should indicate the original language in brackets:**

### Tables

Tables should be numbered consecutively with all remaining pages. Tables are numbered using Arabic numerals. Avoid vertical lines. Avoid unnecessary bolded text. For the legends and sources use Cambria font size 9 (italics), spacing before and after line 6 points.

Key: AU Australia, CN Canada, FR France, NZ New Zealand, UK United Kingdom, US United States. n/a—Data not available.

Resource: Own study based on the data from APEC (2004).
Illustrations

Graphs, maps and other illustrations should be of such a size as to allow a reduction by a factor of 4. Figures captions should be typed in italics on a separate sheet of the manuscript. They should be referred to in the text (example):

- They showed no differences in survival (Fig. 1).
- The corresponding values of the test solutions are shown in Fig. 1.

For the title and sources use Cambria font size 9 (italics), spacing before and after line 6 points. Photographs with high quality resolution (300 dpi) are also acceptable. Preferable size of photos is 15x10cm. Originals of illustrations and photographs are required. Example:
